Dear VID members,

I am running for a second term as President of VID.

Why? You may ask. Because I am having a great time!

A large part of it is working with VID members on important issues:

- Sharon Woolums on all the small business issues
- Anne and Nat against fracking and pipelines and Indian Point and Port Ambrose, a tremendous win!
- Keen with judicial candidates and delegate issues
- Tony and many members on Candles For Clemency
- Barbara Reuther and Mrs. Green's
- Support of the Iran Nuclear Deal
- Erik Coler and his involvement with young voter outreach
- Marlene Nadle and Tom Connor fighting for tenants rights and protections
- Jonathan Geballe to expand the Tenants Clinic
- The Gala Committee for another tremendous (and money-making) and also loads of fun dinner
- Frieda on everything!

And...lots that I have not mentioned.

The other part is working with other Clubs and organizations:

- CRDC on a joint meeting about the \$15 minimum wage.
- DID, VRDC, Jim Owles Democratic Club for electing our Judicial Delegates
- GVSHP against overdevelopment and for preserving our neighborhoods and historic districts
- the GMO coalition in its fight for labeling

Heard enough?

So...I'm looking forward to another spectacular year, which will include a national election, lots of judgeships, a forum on gun violence and who knows what else!

Please vote for me on December 10. With everyone's input and continued hard work, it will be quite a year.

Presidentially yours,
